Welcome to the 21st Making Life Better Golf Classic 2025

Partner with MLB and our dedicated volunteers to support the WA community. We're committed to maximizing fundraising for the **Making Life Better Community Giveaway Support Fund**. Despite ongoing challenges, we aim to make a positive impact wherever we can. We appreciate our long-term partners and look forward to building new partnerships with those who share our vision.

The **MLB Golf Classic**, now in its 21st year, is a premier corporate event on the Perth golfing calendar, held at the **Vines Resort & Country Club**. Last year, with **172 players** and generous partners, we raised **\$103,000**. This year, we aim to surpass previous records through the MLB Golf Classic and other partner MLB Day events.

Join us in making life better for those facing tough times. We are grateful for the support of the WA corporate world, helping us break records and assist more people.

Full details of this year's event and partnership opportunities are in this document. Watch out for other MLB Days events, and if you're interested in organizing something, please reach out to us.

Harrison lives with a lifelong disability and faces daily challenges from the moment he wakes up. Yet, through it all, he approaches each day with remarkable spirit and resilience.

Thank you, MLB, for your incredibly generous donation. What was once a wish in my heart has now become a reality, not just a want, but a true need met. You've given Harrison the tools to be his best, to keep up with his peers, and to face each day with a little less struggle.

He often tells me he wishes he didn't have Cerebral Palsy. I always remind him that he is the boss of it. He's determined to make those who support him proud—and I tell him he already does, simply because he never gives up.

Thank you for standing with him.

From Harrison's mum - *Pay Pay*

Through this auction, our heartfelt mission is to bring meaningful change by facilitating the direct purchase of goods and services that profoundly impact the lives of selected individuals or charities. You will have complete clarity about what you are bidding for and the tangible ways in which your generosity brings hope and improvement to those in need. We will also include highly sought-after memorabilia from Australia's significant sports achievements, complemented by popular household items and giftware.

Making Life Better

Mr. Steven Goliger

Dear Steve

I am writing to thank you for the generous donation you made through Making Life Better to our clients at Wattle House Community Centre in Maddington.

Through your donation, a homeless older gentleman and his beloved dog can keep dry and warm tonight, and many more to come.

Thank you for demonstrating your compassion for others in such a practical way. Please pass on our special thanks to all your team for their generosity.

Please know that we appreciate the fact that people in the community care about people who are disadvantaged and vulnerable.

Yours sincerely

Ricky is an Inspiring, Motivating, and Entertaining speaker.

! IMPORTANT NOTICE

Due to high demand for our 20th anniversary event, course playtimes were extended, resulting in mixed feedback. With 172 players and multiple teams per tee, we found it challenging to balance tournament quality with fundraising goals. To improve future events, corporate partners are now required to commit to at least a Bronze-level partnership; additional team entries are allowed but priority will go to higher partnership levels (Bronze/Silver/Gold) over extra team spots. The field will be capped at 156 players or 39 teams.
